MICHAEL BUSH, PRO SE  
PLAINTIFF

U.S. DISTRICT COURT  
DISTRICT OF MASS.

v.

THE WANG CENTER FOR THE  
PERFORMING ARTS, INC.  
DEFENDANT

Civil Action No. 1:22-cv-10473-GAO

**REQUEST FOR PERMISSION TO FILE ELECTRONICALLY**

Pursuant to section E(2) of the CM/ECF Administrative Procedures document for this Court, the undersigned Pro Se Plaintiff hereby requests that the Court grant him permission to file case documents electronically.

The Plaintiff regularly prepares electronic documents in various formats (including PDF) and is already experienced with filing documents electronically in another of this court's cases via its CM/ECF system. The ECF process in this case will facilitate more prompt and certain filing of documents as well as relieve the Court personnel of having to process papers that would otherwise be mailed to them. So the Plaintiff views this as a win-win.

Therefore, the Plaintiff respectfully requests that the Court allow his attorney's pending motion to withdraw as counsel and grant this Plaintiff's request for permission to file case documents electronically as a Pro Se Plaintiff.
